FOR IMMEDIATE RELEASE

## **MGC Diagnostics Corporation to Report Fourth Quarter and Fiscal Year 2014 Financial Results on Wednesday, January 7, 2015**

**SAINT PAUL, MN (December 11, 2014)** — MGC Diagnostics Corporation (NasdaqCM: MGCD), a global medical technology company, today scheduled a conference call to discuss its financial results for the fourth quarter and fiscal year 2014, ended October 31, 2014. The call will be at 4:30 p.m. ET on Wednesday, January 7, 2015. The Company will report financial results for the fourth quarter and fiscal year 2014 after the markets close on Wednesday, January 7, 2015.

Participants can dial (877) 317-6789 or (412) 317-6789 to access the conference call, or listen via a live Internet webcast on the Company's website at [www.mgcdiagnostics.com](http://www.mgcdiagnostics.com). A replay of the conference call will be available by dialing (877) 344-7529 or (412) 317-0088, confirmation code 10057214, through January 12, 2015. A webcast replay of the conference call will be accessible on the Company's website at [www.mgcdiagnostics.com](http://www.mgcdiagnostics.com) for 90 days.

### **About MGC Diagnostics**

MGC Diagnostics Corporation (NasdaqCM: MGCD), is a global medical technology company dedicated to cardiorespiratory health solutions. The Company, through its subsidiaries Medical Graphics Corporation and MediSoft SA, develops, manufactures and markets non-invasive diagnostic systems. This portfolio of products provides solutions for disease detection, integrated care, and wellness across the spectrum of cardiorespiratory healthcare. The Company's products are sold internationally through distributors and in the United States through a direct sales force targeting heart and lung specialists located in hospitals, university-based medical centers, medical clinics, physicians' offices, pharmaceutical companies, medical device manufacturers, and clinical research organizations (CROs). For more information about MGC Diagnostics, visit [www.mgcdiagnostics.com](http://www.mgcdiagnostics.com).
