

UltraCare™ Continuous Support Program

MGC DIAGNOSTICS IS RECOGNIZED WITHIN THE INDUSTRY FOR UNPARALLELED CUSTOMER SUPPORT AND SERVICE FROM HIGHLY QUALIFIED AND KNOWLEDGEABLE TECHNICIANS.

- Our specialists complete extensive training on each MGC Diagnostics system
- Our LIVE, U.S.-based Technical Support provides phone, internet and remote-connect support
- Regional Field Service Engineers are dispatched for on-site support

PARTNERING FOR THE LONG TERM WITH ULTRACARE™ CONTINUOUS SUPPORT

UltraCare Continuous Support is designed to help you protect your investment.

- Software updates (service packs) at no cost
- Timely notice of pending agreement expiration to prevent coverage lapse
- Renewable Multi-Year Agreements** offer:
 - Long term coverage protection, up to 5 years
 - Significant price discounts for 3-year and 5-year agreements
 - Protection from annual rate increases by locking in today's price for the term of the agreement

PARTNERING FOR THE LIFE OF YOUR SYSTEM

Our partnership offer extends beyond the purchase of the system to include training, education, support and service whenever it is needed. We are committed to remaining your partner in diagnostics for the life of your MGC Diagnostics system.

Call **800-333-4137** or email ultracare@mgcdiagnostics.com for additional details in partnering with our industry-leading support and service team!

** System age and condition must qualify for multi-year

CHOOSE THE ULTRACARE™ PLAN THAT MEETS YOUR OPERATION'S NEEDS
